MEMORANDUM FOR: Chief, Intelligence Division, OSA  
SUBJECT: Policy and Procedures for OXCART Pilots  
Forced Down in Hostile Territory

1. OXCART Division agrees with the policies outlined in the subject document and feels that this paper states adequately a practical approach to the problems generated should such an event occur.
2. In limiting the intelligence to an absolute minimum, it must be emphasized that this action should never jeopardize an OXCART pilot from successfully carrying out his mission.
3. Operational knowledge gained by a pilot on over-flight missions should become the property of all OXCART Detachment pilots scheduled for similar missions.
